### Sunday Service Worship Survey

Questions have been raised about whether or not Bethlehem should continue to conduct two worship services on Sunday Mornings. The Board of Worship Life has been asked to look into this issue. In order to assist the Board in its investigation, we are asking members to complete the following brief survey. Please complete this survey (one response per confirmed member, please) and return it to church, either in person or by mail, by Wednesday, January 22, 2020, if possible. (We will be glad to consider responses received later, within reason.) If you have any questions about this survey, please feel free to contact any member of the Board or Worship Life, listed at the end of this survey. Thank you for your willingness to share your views about this important issue to Bethlehem.
